10:15 AM Call to order – Rett Boyd, Chair

Introductions – All

Agenda Review/Repair – Rett Boyd, Chair

10:25 AM Crafting the “perfect” RFP – Invited Panel and Group Discussion

During this engaging and insightful facilitated session, panelists will share their first hand experiences, lessons learned and things they wish they’d known before they got started.

11:25 AM An Introduction to KeyStone AI – Alex Baer, Executive Director, IHEA

11:35 AM Subcommittee Work Planning – How the State AI Survey can help Shape future Committee’s Agendas – Angie Haywood (IN) and Darin Moore (VA)

11:50 AM Roundtable Discussion of State Agency Tech Efficiencies and Tech Challenges

State members of the Subcommittee and state agency attendees are encouraged to bring recent examples of efficiency measures and challenges they are facing or have overcome in the past year to share with subcommittee members and attendees. Examples of opportunities, challenges and governance related to the evolving and dynamic topic of AI would be of special interest.

12:10 PM Review of Action Items or Follow-ups

12:15 PM Adjourn

Subcommittee Charge

To assist state fish and wildlife agencies with the evaluation of new and emerging technologies (e.g., mobile applications) and data management systems, and to provide guidance or recommendations for using and improving these applications to sell licenses, collect and utilize data, disseminate information and build customer relationships.
